

temu_SpwRmapDecodedCommand
Header

```
graph BT; A[temu_SpwRmapWriteCmdPacket] -.->|Header| B[temu_SpwRmapDecodedCommand Header];
```

The diagram illustrates a relationship between two classes. At the bottom is a box labeled 'temu_SpwRmapWriteCmdPacket'. A dashed purple arrow points upwards from this box to a box at the top labeled 'temu_SpwRmapDecodedCommand Header'. The word 'Header' is placed to the right of the arrow, indicating that the bottom class inherits from the top class's header.
